

Lean Network Best Practice Visit

The Geelong Manufacturing Council in conjunction with the Geelong Quality Council are delighted to offer you the opportunity to join us on a Best Practice Lean Manufacturing Visit at Sykes Racing.

On

Friday 26th November

65-67 Tucker Street, Breakwater, Geelong

Sykes Racing, leading manufacturer of the world's finest rowing shells. are at the forefront of the latest technologies. Following the implementation of Lean Manufacturing they have been able to achieve significant improvements in customer lead times, quality and cost.

Join us on this factory tour to see 5S, work-flows, toolbox meetings and problem solving in action .

Speak with operators and management to learn about this successful lean journey.
