

# COMPRESSOR CONDITION MONITORING

---

## HOST DETAILS

- Organisation: Shell
  - Location: Shell Refinery, Refinery Rd, Corio
  - Host Facilitator: Adrian Matthews
  - Nominal Work Hours: 8:00am – 4:17pm
  - Induction: Tuesday 29-Nov-05 8:00am – 11:00am
- 

## PROJECT OUTLINE

- Research market for available performance monitoring systems for refinery reciprocating compressors.
- Evaluate systems on technical and commercial benefit.
- Recommendations should be based on whole-of-life cost of ownership basis.
